

NORTH GLOBE WANTS NEW POSTOFFICE ESTABLISHED

PETITION PRESENTED TO LOCAL
POSTMASTER AND FORWARDED
TO WASHINGTON

CARRIES OVER 600 SIGNERS

LARGE LIST OF SIGNATURES IS
SIGNIFICANT OF INTEREST
IN THE MATTER

Requesting that a sub postoffice be
established in North Globe, a petition
signed by over six hundred residents
of that part of the city was filed with
Postmaster Ralph Sturgis yesterday.

The petition will be forwarded at
once to the postmaster general in order
that the desires of the North Globe
residents may be officially investigated.

That the residents of the northern
part of the city are eager for the es-
tablishing of a branch postoffice in that
part of town is shown by the rapidity
with which the petition was filled with
names of signers. Less than a week
ago the petition was put in circulation.
Yesterday it was signed by a large
part of those who would be affected by
the establishment of a new office.

"While I have nothing to do with
the establishment of a branch office
in North Globe, I will forward the pe-
tition to Washington at once, in the
belief that the matter may be investigated,"
said Postmaster Sturgis yesterday.

"The petition is a bulky one and it
ought to have considerable weight with
the department at Washington."

The location of the new office, in
case it should be granted, has not been
decided on as yet.

GLOBE RIFLE CLUB ORGANIZED
WITH CHARTER MEMBERSHIP
OF TWENTY

OFFER SPECIAL INDUCEMENT

MAY HOLD TRIANGULAR TOURNAMENTS
WITH CLUBS OF BIS-
BEE AND PHOENIX

At a meeting of a number of en-
thusiastic rifle experts, held at the fire
hall last night, the preliminary or-
ganization of the Globe Rifle club was
effected.

Some twenty men have already as-
sociated themselves with the new club
and it is probable that when the or-
ganization is perfected, at a meeting
called for next Saturday night, there
will be several members in excess of
the necessary twenty, as is required by
law.

The Globe Rifle club will be affiliated
with the National Rifle association. By
joining with this organization, the lo-
cal club will receive much valuable
assistance from the war department,
which will save many items of expense
to those who join the club.

Members will be allowed to pur-
chase at actual cost the newest and
best type of army rifle, which cannot
be obtained in any other way, as well
as the necessary ammunition.

Both Bisbee and Phoenix have rifle
clubs affiliated with the National Rifle
association and these clubs are anxious

that Globe should also organize. By
this arrangement, it will be possible to
hold an annual triangular shoot, in
which the three clubs will take part.

The club is not a military organiza-
tion and members may withdraw at any
time.

Those interested in the club may
make application for membership, or
receive additional information from
Guy Boardman, at the Globe Hardware
company.

SEPARATION ASKED FROM INDIAN SPOUSE

NAOMI SIPPY WANTS LEGAL DI-
VORCE FROM INTEMPERATE
HUSBAND

What will probably be the first di-
vorce suit of its kind ever before the
courts in this part of the territory will
be that of Naomi Sippy, a full blooded
Apache Indian woman, against Myron
Sippy, of equally aristocratic Apache
blood, which will be filed today.

From the nature of Mrs. Sippy's
complaint, it cannot be said that the
aboriginal is not civilized.

She charges her husband with habit-
ual intemperance. She further alleges
that her spouse has failed to support
her in the proper manner and more
than that, has deserted her.

No alimony is asked for.

The couple was married at San Carlos
nine years ago, a civil ceremony be-
ing performed. Having been married
according to law, Mrs. Sippy would now
secure an equally legal civil separation.

Wiley E. Jones represents the
plaintiff.

Women Suffer

much needless pain when they delay using Cardui
for their female troubles. Cardui has been found to
relieve headache, backache, pain in the side and diz-
ziness arising from deranged organs. It does more
than relieve,—if used persistently,—many have writ-
ten to say that it cured them.

TAKE **CARDUI**

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured
me after doctors and everything else had failed. I had been suffer-
ing with numb spells ever since I was 16 years old. One day I
decided to take Cardui. I have now taken 5 bottles and I can say
that it has cured me. I advise all suffering women to give Cardui
a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to?
But why suffer at all? Take Cardui. Give it a fair trial.
